FOUNDING MOTHERS MOVEMENT

Strategic Plan for a Global Women's Movement

Founding Mothers Movement: An Overview

“PARTNERISM: Power with, not Power over.

Partnerism is a new social category that transcends the conventional polarities between right and left, capitalism and communism, religion and secularism, and even masculinism and feminism. We must unlink masculinity from domination and violence, and femininity from subordination and obedience.”

~ Riane Eisler, author of *The Chalice and the Blade: Our History, Our Future*

- Vision:** Transition humanity from Patriarchy to Partnership. A global culture that empowers women, protects children, and ends war.
- Mission:** Shift the paradigm from Militarism to Partnerism, with interim support from an international peacekeeping force limited in purpose to protecting Human Rights and defending Democracy.
- Objectives:** Gender Equity and Global Peace. International Court with jurisdiction to resolve human rights violations and international conflicts.
- Core Values:** Democracy * Peace * Nonviolence * Gender Equity * Unity in Diversity * Justice * Gaia Protection * Compassion * Wisdom
- Strategies:** Unify (i) Women’s Rights; (ii) Peace; and (iii) Spiritual groups – the same **TRIFECTA** the suffragettes used to demand change. Map, track, connect, and communicate a global “movement of movements” that is powerful enough to shift the paradigm.
- Campaigns:** This proposal is a two-year strategic plan of escalating campaigns commencing on **International Women’s Day: March 8, 2024**. NOTE: The Peace Pentagon acknowledges that parts of this plan are U.S. centric and that diverse dialogue, consultation, and consensus are required to further refine this plan and craft campaigns in other regions of the world.
- Demands:** Universal human rights for all women, including reproductive freedom, and cessation of all armed conflict. Before we commence any campaigns, our demands will be published and shared with the world in the form of the *Founding Mothers Manifesto*.

Mother's Day Proclamation

The REAL History of Mother's Day!

Arise all Women who have hearts, whether your baptism be that of water or of tears! ...

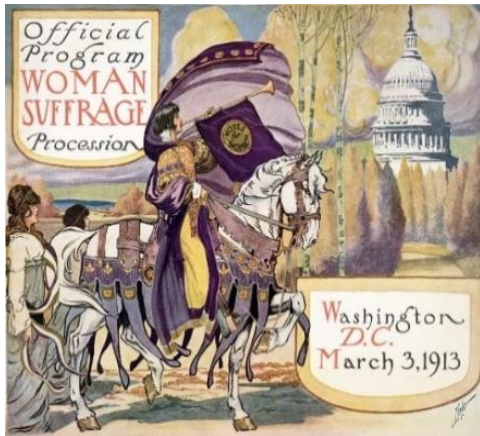

Our husbands shall not come to us reeking of carnage for caresses and applause. Our sons shall not be taken from us to unlearn all that we have been able to teach them of charity, mercy, and patience. In the name of womanhood and humanity, I earnestly ask that a general **CONGRESS OF WOMEN**, without limit of nationality, may be appointed and held at some place deemed most convenient, and at the earliest period consistent with its objects, to promote the alliance of different nationalities, the amicable settlement of international questions, the great and general interest of peace.

~ Julia Ward Howe, portion of *Mother's Day Proclamation* (1870)

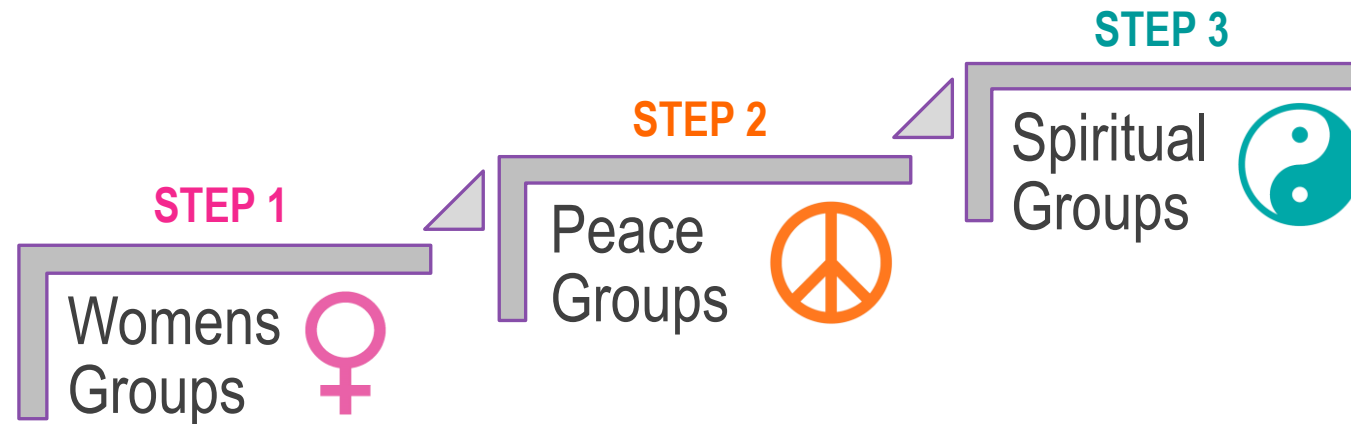

History of the Women's Congress

Howe's call to action inspired suffragettes to form the **International Congress of Women (Women's Congress)**, which met 9 times – from 1878 to 1921 – until American women won the right to vote under the 19th Amendment. In 1915 under Jane Addams' leadership, the Women's Congress merged with the Women's Peace Party to form the **Women's International League for Peace and Freedom (WILPF)**. Since then, WILPF has convened a total of 34 Women's Congresses, and they remain a premier global, female-led organization dedicated to peace, with chapters in over 40 countries, and with 40 branches in America reporting to WILPF-US.

STEP 3: Synergize Spiritual Groups

- **Step 1: Organize the Women's Groups:** The Peace Pentagon wishes to honor the history of First Wave Feminists by placing **WILPF** at the center of our global movement for universal women's rights and peace. We propose forming a **Founding Mothers Commission** with WILPF and other women's groups, such as **National Organization of Women**, **ERA Coalition**, **Planned Parenthood**, and the new **End Gender Apartheid** in Iran. NOTE: We activated the Founding Mothers Commission on **International Women's Day: March 8, 2024**.
- **STEP 2: Unify the Peace Groups:** The Peace Pentagon has worked with a variety of peace groups with many personalities, including **The Peace Alliance** (mainstream), **Unity Earth** (New Age vibe), and **United National Anti-War Coalition** (hard-edged activists). It will be a challenge to unify these groups and ensure our natural allies do not splinter over secondary, superfluous differences.
- **STEP 3: Unity Spiritual and Religious Groups:** For over a century, the interfaith community has built a strong and trustworthy network. The first **Parliament of the World's Religions** took place in 1893 and has brought together over 200 religious, indigenous, and secular belief systems. Oracle started as an interfaith charity and is part of **United Religions Initiative**, which has over 800 Cooperation Circles. Our allies also include: **National Council of Jewish Women**, **Unity Churches**, **Unitarian Universalist**, and many New Age groups.

Founding Mothers Commission: Forming NOW!

The simple yet sacred role of the Founding Mothers Commission is to get the ball rolling. Time is of the essence, given [Project 2025](#) promoted by right-wing think tanks. So far, the Peace Pentagon has invited strategic female leaders to join the Commission to begin brainstorming the organizational structure and agenda for a Women's Congress on Mothers Day 2024.

Our Tight Timeframe

- **International Women's Day: March 8, 2024**
 - ✓ First meeting of the Founding Mothers Commission.
 - ✓ Begin networking and collaborating with prominent Women's groups to launch the Women's Congress.
- **Suggested Goals of the Founding Mothers Commission over the next 2 months – establish these key committees:**
 - ✓ Mothership Architecture: A group to design the structure of the Women's Congress that supports targeted deliberations and decision-making.
 - ✓ Peace Room Circle: A group of strategists and activists to map and monitor the overall course of the movement and to vet and empower key women to speak for the movement, including celebrities.
 - ✓ Founding Mothers Manifesto: Committee of female lawyers and wisdom keepers who we trust to draft our list of demands.
 - ✓ Technology Committee: To build the Founding Mothers website, tech protocols and platform for voting, and secure communications.
 - ✓ Marketing Committee: To refine the Founding Mothers brand, social media, graphics, and media marketing.
 - ✓ Peace Outreach: A team committed to activating the 2nd leg of our movement.
 - ✓ Spirituality Outreach: A team committed to activating the 3rd leg of our movement.
- **Mothers Day: Sunday, May 12, 2024**
 - ✓ Founding Mothers Commission convenes the Women's Congress (and is merged into it).
 - ✓ NOTE: WILPF-US is holding its pre-scheduled 35th Women's Congress on May 30 (so it may be too late to merge these events).

Women's Congress: May 12, 2024

We suggest the Women's Congress be a VIRTUAL event that is planned and mapped at a NEW brand-neutral website that lists all participating women's groups. In addition, all participants should promote the Women's Congress at their websites and social media.

Founding Mothers Manifesto: October 2, 2024

Our List of Demands: To be published on International Day of Nonviolence

- Declaration of Planetary Peace and Partnership (DPP): The preamble to the *Manifesto* should set forth the principles that describe the relationship between Partnership and Peace. This section also should contain a “*New Planetary Story*” of humanity’s common heritage and shared destiny, similar to the Evolutionary Leaders *Unitive Narrative*.
- World Constitution for Women (WCW): This section of the *Manifesto* is a legal document to be drafted by female attorneys of the Founding Mothers Movement. It will list universal legal rights for all women, including reproductive rights, and protections for children. The WCW should be adopted as a constitutional amendment by EVERY nation, even those that already afford basic rights to women.
 - **Reproductive Rights**
 - **Woman & Infant Healthcare**
 - **End Family Violence**
 - **LGBTQ Rights**
- World Peace Plan (WPP): This section of the *Manifesto* relates to war and the Military Industrial Complex. Realistically, to transform the world from Militarism to Partnerism will require two critical steps that need to be included in the WPP:
 - **International Peacekeeping Force:**
 - ✓ To maintain international order and defend Democracy.
 - ✓ To ensure nations scale back their military, cease nonessential weapons manufacture, dismantle weapons of mass destruction.
 - **International Court of Justice:**
 - ✓ To end war, nations and multinational corporations must submit to mandatory jurisdiction of the ICJ to settle all border and transnational disputes, including conflicts pertaining to the protection of natural resources.
 - ✓ To protect women, nations must submit to mandatory appellate jurisdiction of the ICJ for women’s rights violations under the WCW.

Early Campaigns: January & March 2025

New Paradigm Protests

Starting New Year's Day: January 1, 2025: We suggest an easy and fun weekly reminder of the *Founding Mothers Manifesto*. Let us synchronize the “banging of pots” for 10 minutes once a week (according to time zones) while the Manifesto is pending.

Global Women's Day Strike

International Women's Day: Saturday March 8, 2025: If the *Manifesto* has been ignored, then we proceed with the first strike. A Saturday strike will not interfere with most jobs and should be well-attended. Women will be asked not to shop, cook, clean, or otherwise assist (exceptions for doctors, nurses). The Strike should include the infamous *Lysistrata* tactic – no sex! And the global Women's Strike should take creative forms: celebrations, music, public dancing, flash mobs, spiritual rituals.

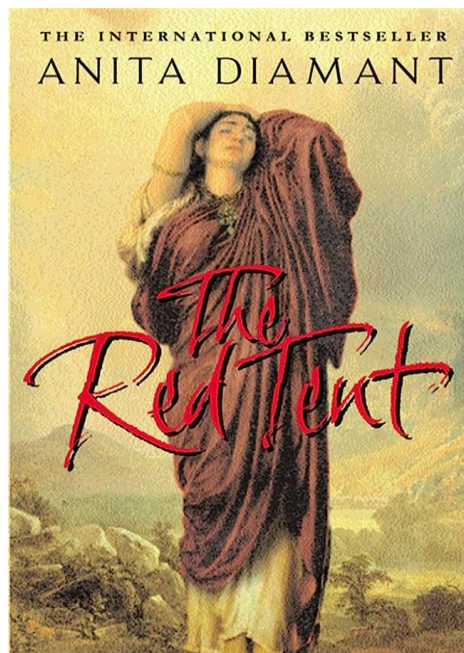

Red Tent Women's Strike: May 12, 2025

Mother Day: Sunday, May 11, 2025

Strike Starts: Monday, May 12, 2025

Full Moon: Monday, May 12, 2025

- **DAY 1: Monday**
Mother's Day Strike * **Ages 25 - 50**
- **DAY 2: Tuesday**
Daughter's Day Strike * **Ages 15 - 25**
- **DAY 3: Wednesday**
Grandmother's Day Strike * **Ages 50+**
- **DAY 4: Thursday**
Granddaughter's Day Strike * **Ages 1 - 15**
- **DAY 5: Friday**
Sisterhood Strike * **ALL WOMEN** * Strike at Full Force!
- **DAY 6: Saturday**
Day of Ceremony * **Men join** and help set up **Red Tents**
- **DAY 7: Sunday**
Day of Peace * **Women in Red Tents ALL over the WORLD!**

The **RED TENT** is a novel about the last paradigm shift – from Polytheism to Patriarchy. Women resisted the shift to male monotheism and were crushed. This theme is richly symbolic and honors our sisters in the Middle East, who suffer the most under the male Abrahamic Godhead.

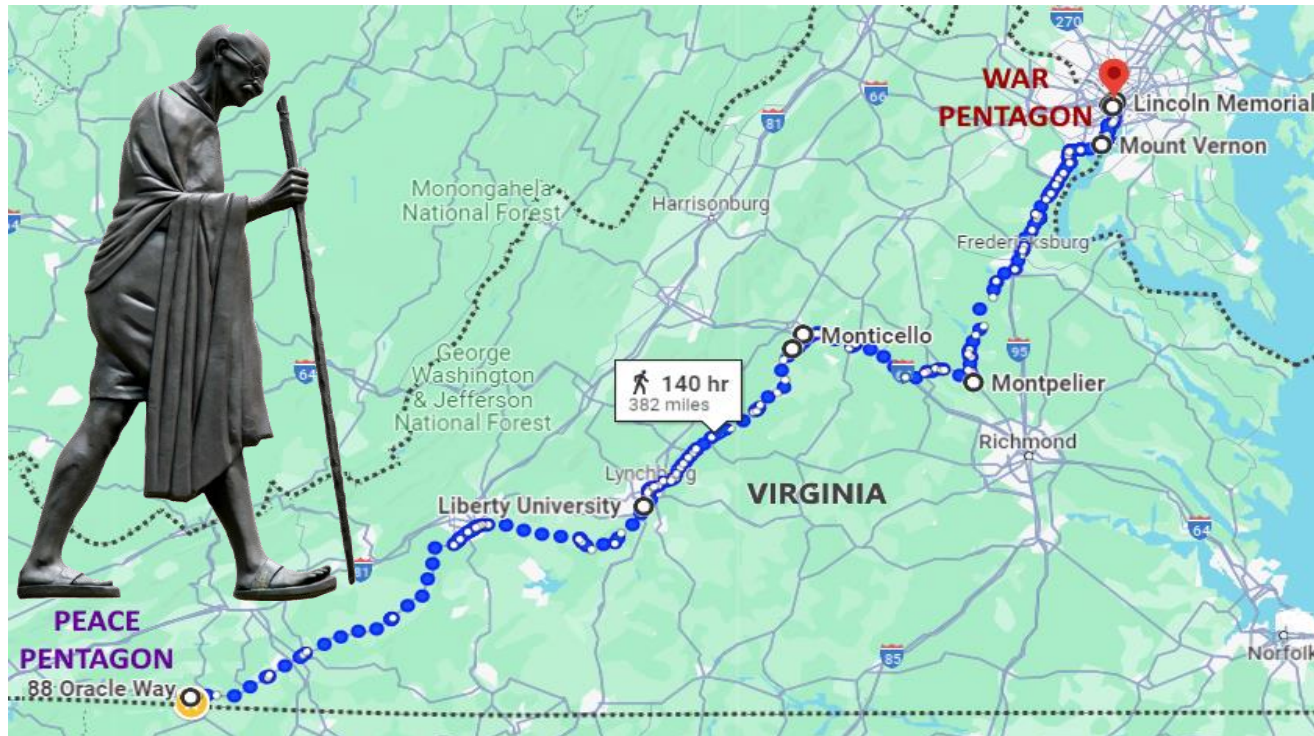

The tent is **RED** because women were “mooning” and men considered them dirty and defiled. Little did the men know that inside the **RED TENT**, women took a week-long respite to relax, rejuvenate, celebrate their sisterhood, and continue to worship the Divine Feminine.

Founding Mother's March: October 2, 2025

Connecting the Peace Pentagon to the War Pentagon

International Day of Nonviolence: October 2, 2025: If the *Manifesto* is still being ignored a year after its publication, let's up the ante. In the United States, we suggest a march from the Peace Pentagon in Independence, Virginia to the War Pentagon in Arlington, Virginia. October 2 is Gandhi's birthday, and it took him **24 days** to complete the Salt March. To walk 380 miles from the Peace Pentagon to the War Pentagon will take approximately **25 days** – WE CAN DO THIS! And in the process, we'll bring the Nation's Capital to a standstill.

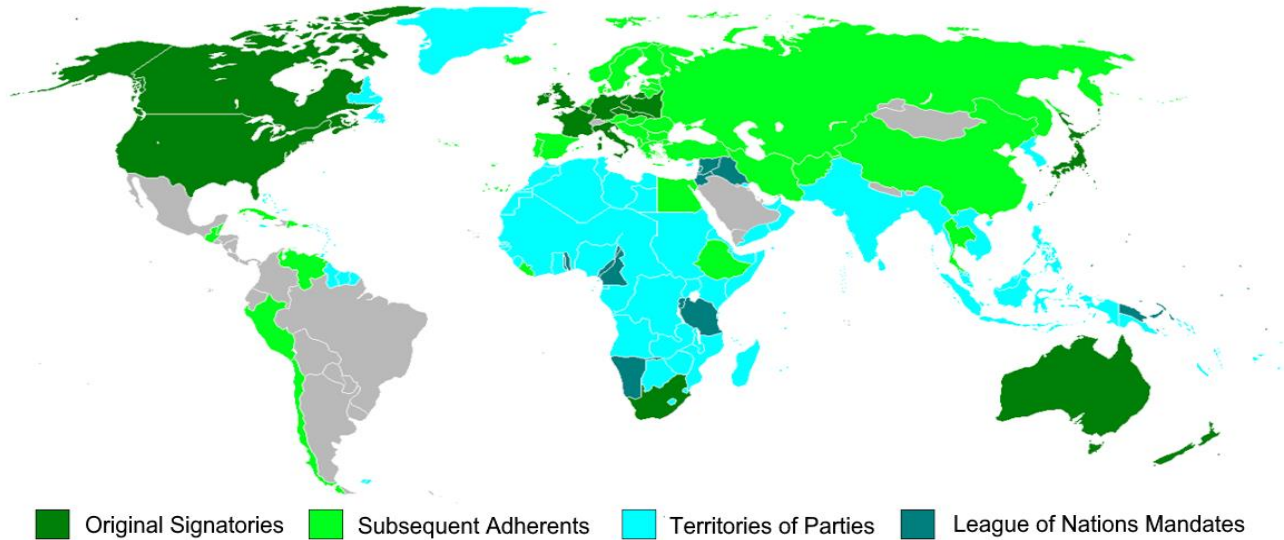

- At dawn, we will hold ceremony at the Oracle Campus Peace Pole Medicine Wheel then start our March!
- If Donald Trump is president, our first major stop will be Liberty University in Lynchburg, VA (where Jerry Falwell, Jr. coronated Trump “king”).
- Then, we'll March to Trump Winery outside Charlottesville and camp overnight.
- We could visit the homes of Virginia's Founding Fathers: Thomas Jefferson's Monticello; James Madison's Montpelier; and George Washington's Mount Vernon.
- Then on to the War Pentagon and National Cemetery in Arlington, VA for more ceremony.
- Ending our March at the Capital Mall for a culminating rally.

Suggested Lawsuits: March 8, 2026

Kellogg Briand Pact lawsuit at International Court of Justice

- **Kellogg Briand Pact of 1928:** Signed by 62 nations after WWI. Intended to be the treaty to “end all wars” backed by the suffragettes.
- **International Women’s Day: Sunday, March 8, 2026:** Hold a day of ceremony at the Peace Palace in The Hague, Netherlands.
- **Next day, Monday, March 9, 2026:** File a declaratory judgement action at the International Court of Justice against all nations violating the Kellogg Briand Pact. This case would garner more media attention than the ICJ case filed by South Africa over the Gaza war.

First Amendment lawsuit for Religious Freedom & Abortion

Women of Faith & Fury

- **Interfaith Abortion Alliance:** *Roe* was decided under the **14th Amendment** right to privacy. *Dobbs* was decided on a minority Christian view of when life begins. If we want to repeal ALL state abortion-ban statutes and bring uniformity to U.S., we need to file a FEDERAL lawsuit under the **1st Amendment**.
- **Oracle Temple is active in the Virginia Reproductive Equity Alliance & Virginia Abortion Network:** Our campus is surrounded by states that ban or restrict abortion. We partner with New River Abortion Fund. Last year, we beat an “**Unborn Sanctuary**” ordinance introduced by Texas Right to Life in Grayson County, VA.

Theory of Change: Spiral Dynamics

The Map We Need to Succeed

- Spiral Dynamics is a model of human growth and behavior that has replaced Maslow's Hierarchy of Needs.
- This more robust cross-disciplinary approach maps the *Spectrum of Consciousness* and its linear stages.
- This map will help us craft a targeted yet inclusive global movement for Partnership & Peace.
- In his autobiography, Gandhi's "*Himalayan Miscalculation*" was his overestimation of followers' level of consciousness.
- We will NOT make the same mistake, if we use this model to strategize & execute the Founding Mothers Movement.

"Right now humanity is in a desperate race between the 70% that remain at ethnocentric or lower levels, and the 30% or so at worldcentric and higher levels. ... I also, seriously, give that race a fifty-fifty chance of coming out in our favor."

~ Ken Wilber, *The Religion of Tomorrow* (2017)

Theory of Change: Integral Theory

Understanding where “We the People” are in the Power Matrix

- **Quadrant 1:** Where a person individually falls on the Spectrum of Consciousness / Spiral Dynamics.
- **Quadrant 2:** How a person navigates the world based on his state of mind, wellbeing, level of education, and skill set.
- **Quadrant 3:** Where people collectively fall on the Spectrum of Consciousness as a cultural presence and social force.
- **Quadrant 4:** How people structure society, governance, and institutions – **BASED ON POWER** in Autocracy or compromised Democracy.

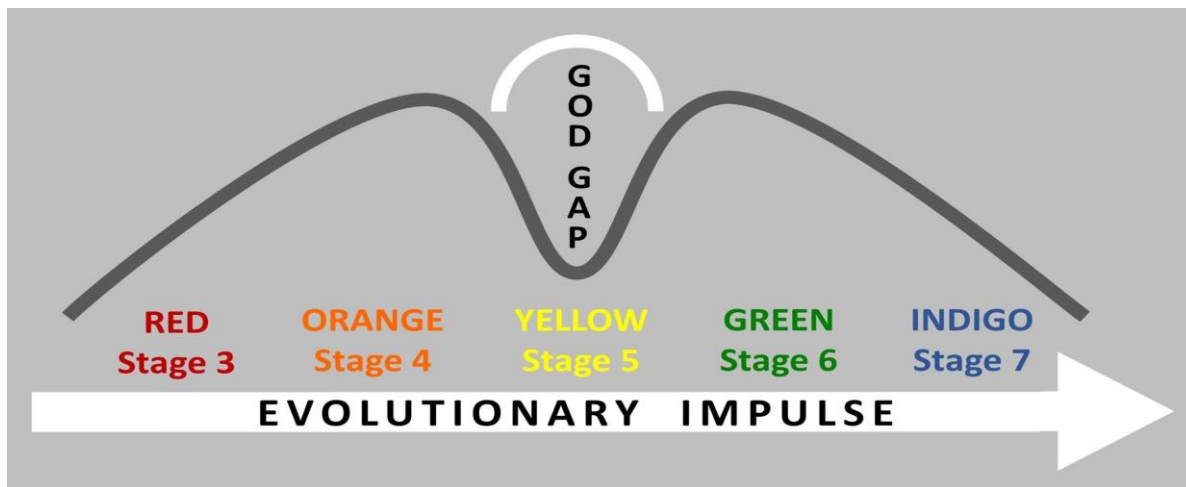

Mass Movements are creatures of the 3rd Quadrant

When voting is impaired due to damaged Democracy, the people must amass POWER in the 3rd Quadrant.
Only then, do we have the strength to insist on changes to legal structures in the 4th Quadrant.

Theory of Change: Fifth Spiritual Paradigm

“When the Godhead Shifts, so does the Paradigm”

Spiritual Paradigms & Trickle-Down Deity Theory

First Paradigm	All is One	Big Bang: 14 billion BCE
Second Paradigm	Great Mother	25,000 BCE - 5000 BCE
Third Paradigm	Gods & Goddesses	5000 BCE - 50 CE
Fourth Paradigm	God the Father	50 CE - 2012 CE
Fifth Paradigm	Integrated Godhead	Happening NOW!

Fifth Paradigm God: **TRUTH, LOVE, LIGHT!**

Remembering our PRIOR Unity

When you make the Two into One, and when you make the inner like the outer and the upper like the lower, and when you make the Male and Female into a single One, so that the Male will not be male nor the Female be female ... Then you enter the Kingdom.

~ Jesus, Gospel of Thomas

Activating our METTA Unity

“It is up to us to bring an end to the loss of the precious lives that we have carried in our womb.
War is a crime against the Divine Feminine.
To put an end to war, we need a metaphysical revolution – a complete change in our image of deity.
The fate of the Earth lies in the hands of Women.”

~ Anne Baring, author of *The Myth of the Goddess*

Pulling it ALL Together

- To strategize, structure, and organize the elusive “movement of movements,” we will need WOMEN, MEN, and CHILDREN!
- We also will need to use Spiral Dynamics to message the movement, if we wish to keep it as inclusive as possible.
- We will NOT identify an “enemy” – other than unchecked capitalism & corporatocracy.
- And we’ll need to message for the various generations involved, who typically utilize different technology & social media platforms.

Suggested Branding

- Main brand: **Founding Mothers Movement** is resonating at every age bracket!
- Tagline: **Planetary Peace & Partnership** is resonating with marketing sampling as well.
- Slogan: **TRUTH * LOVE * LIGHT** is a clean pledge that hits our opposition’s underbelly – they LIE, spread HATE, and follow DARK urges.

SWOT Analysis of Factors influencing the Great Cusp

“You should try to unlearn the linear belief that America (or the entire modern world) is exempt from the seasonal cycles of nature.

Try to unlearn the linear need to judge change by one-dimensional standards of progress.

Finally, unlearn the linear view that positive change always comes willingly, incrementally, and by human design.

Sometime before the year 2025, America will pass through a gate in history, commensurate with the American Revolution, Civil War, and twin emergencies of the Great Depression and World War II.”

~ William Strauss & Neil Howe, *The Fourth Turning* (1997) * NOTE: This is Steve Bannon’s favorite book

- Gandhi always had an ashram – a place to regroup & rejuvenate.
- Likewise, we will need regional HUBs throughout the world – safe and secure venues where coalition members can rejuvenate and where leaders can strategize privately and in person.
- Intentional communities like **Damanhur** in Italy will be ideal Hubs.
- Ashrams like **Auroville** in India are natural allies, as well.
- Many centers will host the Founding Mothers Movement!
